for high school ages and older.

\$200 deposit will reserve your place
Sign up early. Space is **EXTREMELY** limited. 842-4120

Village Music at Lynwood Center
Summer 2011 Guitar Building

Build a fine classical or steel string acoustic guitar guided
and coached by award-winning, nationally recognized
Bainbridge Is. luthier, Alan Simcoe. Learn every aspect of
guitar making: design & materials, step-by-step construc-
tion methods, voicing, finishing & set-up.

To insure completion of your instrument
within the six week timeframe you should
expect 2-4 hours per week of take-home
work.

At Home tools should include:

- A SHARP backsaw or Japanese saw
- A SHARP block plane or small smoothing
plane
- A small selection of SHARP files & rasps
- A few SHARP chisels (1/8, 1/4, 1/2)
- An 18"-24" metal straightedge with
inches & metric
- Cork or felt sanding blocks
- 100, 180, 220, 320 grit sandpaper
- Approximately 2' x 4' of clean, FLAT work

Special attention:

This year the semi-annual Guild of American Luthier's
Convention is being held in Tacoma from July 20—24.
That means there will be no guitar making classes on Wed
July 20, or Thurs July 21. There will be make-up class
time scheduled on Friday July 29 and Sat. July 30.
Students are strongly urged to attend the convention.
Check it out as www.luth.org.
